## **Lisbon Driver's License Office temporarily closed beginning July 9**

The Lisbon Driver's License Office, located at 504 Prospect Street in Lisbon, will be temporarily closed from Thursday, July 9 until Thursday, August 13, for an asbestos removal project. During the temporary closure, customers may use an alternate location for their licensing needs. A schedule of business hours and other locations can be found at <http://www.dot.nd.gov/divisions/driverslicense/docs/Drivers%20Lic%20Sites.pdf>.

Motorists should be aware that the temporary closure of the Lisbon Driver's License Office only affects people doing business concerning their driver's license and does not affect services for customers interested in renewing or licensing their motor vehicles.
